COURSE COMPLETION CERTIFICATE

This is to certify that **Ms. S. Karunya Jothika**,
B.E. Computer Science and Engineering – Final Year,
Register Number: 921022104020,
of Nadar Saraswathi College of Engineering & Technology, Theni,

has successfully completed the **MERN Stack** Development Program at **Hazzino Technologies Private Limited** during the period from **15 December 2024** to **21 September 2025**.

The program was designed to provide industry-oriented training in MongoDB, Express.js, React.js, and Node.js, with a strong focus on full-stack web application development, real-time project exposure, and professional software development practices. As part of the program, she successfully designed and developed a capstone project titled "**eCommerce Application**", demonstrating sound technical expertise and the ability to apply concepts in a practical environment.

Throughout the course, she displayed commendable dedication, professionalism, and a proactive approach to learning. Her performance and conduct were found to be excellent.

This certificate is awarded in recognition of her successful completion of the program at our organization and as a testament to her technical competence and commitment.

We wish her every success in her future academic and professional pursuits.
